New PCT National Phase Application Docket No. 5100-000028/US

REMARKS

Claims 1-20 are now present in this application, with new claims 11-20 being added

by the present Preliminary Amendment. It should be noted that the amendments to original

claims 1-10 of the present application are non-narrowing amendments, made solely to place

the claims in proper form for U.S. practice and not to overcome any prior art or for any other

statutory considerations. For example, amendments have been made to remove multiple

dependencies in the claims.

CONCLUSION

Accordingly, in view of the above amendments and remarks, an early indication of

the allowability of each of claims 1-20 in connection with the present application is earnestly

solicited. Should there be any outstanding matters that need to be resolved in the present

application, the Examiner is respectfully requested to contact Donald J. Daley at the

telephone number of the undersigned below.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future

replies, to charge payment or credit any overpayment to Deposit Account No. 08-0750 for

any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly,

extension of time fees.

Respectfully submitted,

HARNESS, DICKEY & PIERCE, P.L.C.
